Description

Sungkyunkwan University is often regarded as the best private university and the best comprehensive university in South Korea. This supportive institution offers both Korean language courses and a student buddy programme for exchange students, the GSN HI-Club. Business students can join the Global Economics and Global Business Administration programmes.

Surrounding Area

Seoul is the capital of South Korea and the Korean peninsula's largest metropolis. It is home to approximately half of the country's population of 50.22 million people and contains five UNESCO world heritage sites. Seoul also has major transport links to all other Asian countries and other international locations.

Accommodation

University Accommodation is available for 170 students on campus in various blocks with rental studio apartments available for some male students. Expect to pay around £250-350 per month, and budget an additional £400 per month for personal expenses.

How to apply

When successfully selected by UWE and nominated to Sungkyunkwan University you will need to provide:

- Online Application
- Passport size photograph
- Transcript
- Proof of insurance
- Photocopy of passport
