<b>Website</b>	<a href="https://www.hs-owl.de/en/campus/wir-ueber-uns.html">https://www.hs-owl.de/en/campus/wir-ueber-uns.html</a>

### Description

Ostwestfalen-Lippe University of Applied Sciences's goal is to tackle complex problems and global challenges and work to ensure that knowledge and innovations benefit society. They provide education and research in engineering, economics and management, life science technologies, design and construction. Almost 6,600 students, 167 professors and 500 employees are based at their campuses located between the major cities of Hannover and Dortmund. The Detmold campus focuses on disciplines involving construction and design.

### Surrounding Area

The University is named after the region Ostwestfalen-Lippe - one of the most important centres for engineering and electronics in Germany. Close by you can find the historic town of Hamelin and many national parks and forests.

### Accommodation

Accommodation available to exchange students are provided through Hochschule Ostwestfalen-Lippe and costs around EUR250 per month including all utilities.

### How to apply

When successfully selected by UWE and nominated to HS-OWL you will need to provide:

- Completed application form
- Academic transcripts
- CV
- Completed Learning Agreement
- German language proficiency letter issued by UWE

Application deadline: 1 June
