### Description

HKBU is centrally located on the Kowloon side of Hong Kong. The University's four campuses are well served by public transport. HKBU offers a strong programme of cultural and social activities for incoming exchange students including a free airport pick up, orientation activities and trips to mainland China.

UWE students studying in Hong Kong will join the [BSocSc \(Hons\) Geography](#) programme. HKBU is one of UWE Bristol's longstanding exchange partners - subject links include Business, Sociology as well as Art and Design subjects.

### Surrounding Area

Hong Kong is a vibrant, diverse city marked by a vigorous blend of East and West and is seen by many as a gateway to the Chinese mainland. It has a vibrant shopping scene with a mix of modern shopping malls and traditional markets. There are

also many cultural festivals throughout the year, with the Lunar New Year celebrations in February being the undisputed highlight.

### Accommodation

Shared rooms in undergraduate halls available.

### How to apply
