

Information Sheet

Talking Robots

Thank you for agreeing to participate in a short interview.

The interview is part of the Talking Robots project, which is funded by the Economic and Social Research Council. The project is exploring the use of a range of events when discussing robotics.

Your comments will be made anonymous in all materials. No one will see participant's names and they will be secured separately to any comments made.

The interview will be tape recorded and you may stop the interview at anytime.

The research session was recorded visually using photographs and video footage. These images will be used for educational and research purposes only.

If, following the interview, you decide you would prefer not to participate in the project please contact us at the address below and we will withdraw your comments from the study.

If you would like to see the projects findings please also contact us at the address below. For more information on Robotics see our website at: <http://www.uwe.ac.uk/fas/graphicscience/index.htm>
